Our church understands the responsibilities and privileges of membership in the Florida Baptist Association and is committed to working in harmony with other member churches. We understand cooperation in this Association involves participation in the ministry of the Association, involvement in the work of the Association Board, completion of the Annual Church Profile, and the giving of regular financial contributions to the work of the Association. We further understand that we will remain in doctrinal harmony and in full support of the Florida Baptist Association's Constitution & Bylaws.

The people (signatures) below have been authorized by the congregation according to the appropriate procedures in the church's Bylaws to pursue and engage the church membership with the Florida Baptist Association.
