

Opportunities for your church...

Need a speaker? We would love an opportunity to share with your church, women's group or Sunday School class how God is using our Single Mom's Program and Foster Care Ministry to build his kingdom. We need families with a heart to serve vulnerable children and currently are praying for a special family to move onto the Tallahassee Campus and minister to sibling groups!

A required seven session training will start January 27th, 2021 for families interested in fostering. You can go to our website www.onemorechild.org/fostercare or reach out to Danny Bevil, the Tallahassee Licensing Specialist for more information about foster care ministry. (Danny.Bevil@onemorechild.org)

Do you know someone who would be willing to mentor a single mom? Reach out to Rhea Stevens, Director of Single Moms Program in Tallahassee to connect. (Rhea.Stevens@onemorechild.org)

Please know that you are always welcome to drop by our campus at 8415 Buck Lake to drop off donations – we take clothing, baby items, and nonperishable food items to support our single moms and foster families.
